Cosmos Business Systems submit an offer for the public tender of Municipality of Larisa

Athens, 09/10/2017

Cosmos Business Systems S.A. has submitted an offer to the open tender launched by the Municipality of Larissa entitled "Supply and Installation of a Pedestrian Traffic Control System".

The object of the procurement is the installation and operation of a Vehicle Access Control system in two pedestrian zones of the city center of Larissa.

The procurement contractor will implement a control system for (38) thirty-eight pavement control entry points (with option for other five (5) entry control locations).

The project budget amounts is € 921.087,50 (including the option and plus VAT)

Cosmos Business Systems participated with the joint venture with the title: «COSMOS COMPUTERS S.A.– AMCO S.A. – DOTSOFT S.A.»

Cosmos Business Systems S.A. is one of the main complete IT, software and communication solutions provider in the Greek market.

Its turnover in 2016 was €24 million and its target market is the middle and large corporations of the Private Sector, Banking, as well as companies in the Public and Utilities sector.

Cosmos in 2017 completes 29 years of continuous operation.
